

JONH HENRY THOMAS OF GAUSE BURIED TODAY

John Henry Thomas, 49, died at 2 o'clock Wednesday morning at his home in Gause. His death was sudden and unexpected and was a great shock to his many friends.

Mr. Thomas was born and reared in Cameron and for many years was a prominent retail grocer of this city. For the past several years he has been engaged in the retail mercantile business in Gause. At one time he was connected with the Gause State Bank; he was a trustee of the public school, and in many ways he was prominent in community affairs.

He is survived by his wife, Mrs. John Henry Thomas, who is post-mistress at Gause; three daughters, Juanita, Emma Howard and Elaine; two sisters, Miss Clara Thomas of Cameron and Mrs. Tom Law of Houston; two cousins, Rush A. Thomas and Monte Thomas of Cameron. He was the nephew of Mrs. George A. Thomas of Cameron.

Funeral services were conducted at ten o'clock this morning from the family residence in Gause with Rev. Vernon G. Miles, pastor of the First Baptist Church of Cameron officiating. Coleman Funeral Home was in charge.

New Ford Here

The new 1938 Fords will be on display at the Hefley-Stedman Motor Company Friday. The company is giving away a Thanksgiving turkey as an added attraction to those who visit the show rooms during the next few days.

The new Mercury V-8's will not be available for display here for a few days. The new Ford V-8's are now available for delivery and several of the new cars will be on exhibition beginning Friday.

Turkey Dinner for Vets

The American Legion will entertain Legionnaires, war veterans, and gold star mothers and fathers at a turkey dinner to be given at twelve o'clock noon, Armistice Day, Friday November 11, at the Ada Henderson school cafeteria.

Congressman W. R. Poage will be the main speaker of the day. H. B. McClellan, post commander for the American Legion here, announced there will be a good program and a good dinner and all veterans of all wars, and gold star mothers and fathers are invited to attend.

Reba Beeler, Francis Collins, William Denbrock, John Hall, Harold Marsh, Jr., John Martin, Robert Purcell, Margaret Ellen Williams, Wiloughby Williams and Leah Mary Woodward are the ten.

Francis Collins is the first editor of The Thresher, student weekly newspaper, to be elected to Phi Beta Kappa.

William Denbrock, chemical engineer, is a member of the chemistry honorary society, Phi Lambda Upsilon, as well as the engineering society, and the Engineophytes, prospective chapter of the engineering honor society, Tau Beta Pi.

John Martin, mechanical engineer, also is president of the Engineophytes, and is a member of the American Society of Mechanical Engineers and of the Camera club. He was the 1938-39 winner of the engineering alumni scholarship.

Robert Purcell, another chemical engineer, completes the group of engineers. He won last year's award for being at the head of the junior class. He belongs to both Phi Lambda Upsilon and the future Tau Beta Pi.

Pre-law students John Hall, Harold Marsh and Wiloughby Williams are all majoring in history and plan to attend the University of Texas law school after graduation from Rice.

Williams was Hohenthal scholar, 1936-37 and Marsh was Daniel Ripley scholar, 1936-37, Hohenthal scholar, 1937-38, and Graham Baker student, 1938-39. He also is a member of the Rally club.

Miss Beeler, one of the three girls elected, is majoring in education and expects to teach school after graduation; Miss Woodward also is a member of Pi Delta Phi, honorary French society, and received honorable mention for the Graham Baker student-ship 1938-39. Miss Williams, majoring in English and languages, is a member of the Elizabeth Baldwin literary society, and of the Choral club.

City Council in Special Session to Receive Bids for School Improvement

The City Council will meet in special session Friday morning at 10 o'clock for the purpose of receiving bids for improvement on the Yoe High and Ada Henderson school buildings.

A PWA improvement fund was granted some time ago to help finance repair work on the school buildings, and to equip the school with a modern sound system of communication. The project also includes construction of bleachers and dressing rooms at Yoe High athletic field and the installing of steel lockers in the buildings.

The City Council reserves the right to reject any or all bids submitted.

Chest Drive Succeeding

Satisfactory progress was being made in the Community Chest drive, it was reported by members of the committee here this week. The goal has been set at \$4,000 and this amount may be exceeded.

The committee is meeting with good response and appreciates the co-operation of the citizens. The needs are urgent and all money raised will be spent in the city of Cameron.

FUTURE FARMERS CONCLUDE SHOW

The Central Texas FFA Poultry Show held in Cameron this week drew a large number of entries, some excellent judging, and a crowd of interested spectators. The show was held in the headquarters of the Swift Packing Company here and was in charge of Tom Stokes, vocational agriculture teacher of Yoe High school and members of the FFA. Cash prizes were awarded by the Chamber of Commerce.

McGregor with a score of 1455, defeated six other contestants in the poultry judging contest held in connection with the Cen-Tex FFA Poultry Show, Tuesday afternoon. San Gabriel placed second with 1410 points, Thrall third with 1380 points, and Milano fourth with 1275 points. Other teams competing were Sharp, Taylor and Thorndale.

Competition between individuals for high score was very strong there being only forty-five points between the first nine boys. Hilton Scott, Thrall; James Barron, San Gabriel and Floyd Fehlers, McGregor all tied for high individual with 505 points each out of a possible 700. Roland Techelmann, Taylor placed second with 490. For third place Benen Naron, Milano; C. G. Scrugg and Freddie Lippi of McGregor tied with 475 points.

The classes of birds and egg in the contest were set up by Mr. Burton of Swift and Co., and the final placing was made by E. D. Parnell of A & M College, the judge of the show.

The Milam County Federation of Future Farmers of America met at the C. H. Yoe High School Tuesday night to set up a program of work for the coming year.

The meeting was presided over by President Johnnie Green of Rockdale and among those present were boys for Thorndale, Milano, Sharp, San Gabriel, Buckholts, Rockdale and Cameron.

H. B. Boswell Supervisor Vocational Area VIII, was also present and gave some special help to all agriculture teachers.

Leland Stedman Injured in Car Accident Near Liberty

Leland Stedman of Cameron was seriously injured Monday night when the car in which he was riding struck a parked truck on the Liberty bridge on the highway between Houston and Beaumont.

Stedman suffered a brain concussion and was rushed to a Liberty hospital where physicians operated in an attempt to save his life. It is believed that he will recover if no complications set in.

Pete Graves, the other occupant of the car was only slightly injured. The boys were en route to Beaumont when the accident occurred.

Award Vote Heavy

Crowds attending the Cameron Theatre are responding well to the vote being taken for the scholarship award to Cameron's outstanding football player. Already many thousands of votes have been cast and indications are that when the voting is concluded shortly after Thanksgiving the record will show a wide popular participation in the award.

Stanley Swift of the Swift Theatres says that the people generally are appreciating this recognition of the football players.

Waco Pastor to Speak At Maysfield Church

Dr. C. T. Caldwell, Pastor-Emeritus, of the First Presbyterian church of Waco, will preach Sunday evening at the Maysfield Presbyterian church at 7:15. It was announced here Wednesday by Rev. O. C. Acree, pastor of the First Presbyterian church of Cameron.

The beloved pastor of the Waco church delivered lectures on the Holy Land at the Maysfield church recently. Friends of Rev. Caldwell and of the church will be glad to know that he is to speak again Sunday night, and all are cordially invited to come and hear him.

WPA Work Started On Marlow Road

Work on a WPA project for improvement of the Marlow road began Wednesday morning employing 120 men. The money designated for this project totals \$43,374.79, \$27,222.18 of which is federal funds and \$16,152.61 is county funds.

The work will include clearance of trees and growth along the side of the road, widening the road and repairing the surface where it is needed. It is estimated that six months will be required to complete the work. Approximately fifteen miles of road will be repaired under this project.

A large number of workmen applied at the court house Tuesday morning for work on this small project, which is only one of several improvement WPA projects for this county.

New Case Worker For Local Office

Mrs. Nadine Harper, case worker, employed under the supervision of Mrs. Ruth Fuller, head of the Texas Relief Commission, has resigned her position, resignation to be effective November 15, it was announced here this week.

Mrs. Mary Young Green has been selected by a representative of the Texas Relief Commission from a large number of submitted applications to fill the position held by Mrs. Harper.

Mrs. W. A. Morrison formerly was case worker in the local office but resigned several weeks ago.

Large Number of Resolutions Voted By County Teachers

T. N. Wood, chairman of the Resolutions Committee, of the Milam County Teachers Association, summarized the resolutions voted by the organization as voicing the sentiment of teachers indicated in the following information.

They voted to express their appreciation to Superintendent E. A. Perrin, Superintendent S. C. Miles and the towns of Cameron and Rockdale for taking care of various school meets, and also expressed appreciation that the fifty cent service charge on teachers vouchers had been discontinued.

The Association expressed need for Milam county teachers to join local and State Teacher's Association and urged teachers to act in a way at various contests and meets with other schools, so as to be conducive to good citizenship training for the students.

On legislative questions, the Association voted in favor of the state superintendent being elected as now instead of serving by appointment, favored a permanent equalization bill, flexible enough to be changed as deemed wise in future legislation, favored a fair tenure law to have original jurisdiction with local school boards and final jurisdiction with the state board of education with teachers maintaining the right of defense, requested state legislature to take care of their obligation to the Teacher Retirement Plan, expressed a need that arrangements be made whereby school administrators might know early in the school year what aid they might expect, favored Federal Government aid to be allocated by state department of education, state sponsorship of fire insurance on school buildings, and recommended the state furnish all text books used in accredited school courses.

CAMERON LIONS IN EXPANSION PROGRAM

Training is the Primary need of youth today as well as employment and your National government, through the NYA is encouraging 15,000 youths in the State of Texas to do the better things of life by giving them experience and vocational training," declared Ray Lee, State Director of the National Emergency Council, in a challenging address to the Lions club here Tuesday.

Inability of youth to continue school training led to the organization of NYA in 1935 the speaker stated. Mr. Lee outlined the two distinct phases of the youth program under the heads of Student Aid and Work Projects. Under Student Aid

L. W. Kemp Named Member of Texas Historical Commission

L. W. Kemp of Houston has been named by Governor James V. Allred a member of the Library and Historical Commission of Texas. Mr. Kemp was a member of the Historical Texas Centennial Commission and has been active for years in locating the graves of Texas heroes and other noted facts of historical interest.

The appointment as a member of this commission is for a six year term and Mr. Kemp succeeds Geo. E. Shelley of Austin. Mr. Kemp is the son of the late Mr. and Mrs. D. Kemp and was born in Cameron. He is the brother of Judge Jeff T. Kemp of Cameron and has many friends here who will be happy to know of his appointment to this position of honor.

MRS. CHAS. TAGGERT BURIED IN WACO

Mrs. Charles Taggart of Waco died at her home Friday, October 28th, she has many friends here who received the news of her death with sorrow. Mrs. Taggart was a native of Cameron and the daughter of the late Mr. and Mrs. J. E. Tyson, who were the victims of a fatal automobile accident about two years ago. Mr. Tyson was county clerk here at one time and later moved with his family to west Texas.

Mrs. Taggart had been a resident of Waco for the past 31 years and was active in PTA work, having served as secretary of North Waco PTA. She was a member of the Order Eastern Star and was also a well known pianist. Her husband, two children and four brothers are the survivors.

MRS. CULPEPPER IS WORLD FAIR DIRECTOR

Mrs. John Cecil Culpepper of Cameron has notification from Miss Monica Barry Walsh, Director, Women's Participation, for the World Fair, that she has been selected to serve as a member of this committee.

One hundred Texas women will serve on the Advisory committee for the World Fair to be held in New York in 1939, and Mrs. W. P. Hobby of Houston is state chairman. Mrs. Vincent Astor and Grover Whalen of New York City, both had previously invited Mrs. Culpepper to be a member of this group of distinguished women.

As a member of the committee, Culpepper will be an ambassador of good will to the New York World's Fair, and the letter asking that she feel free to offer her advice and suggestions or any other information reflecting the interest and ideals of the citizens of her state.

Mrs. Culpepper is the daughter of the late T. S. Henderson and Mrs. T. S. Henderson of Cameron, and has many friends in this city and county who are happy to know of the distinction and honor bestowed upon her by this selection. Mrs. Culpepper, a talented speaker, and an able historian, has one of the most interesting collections of facts of historical interest of her county available and has spoken on different occasions on the history of Milam county. Her executive ability merits this recognition.

A. M. Camp and wife of San Gabriel, celebrated their 69th wedding anniversary Sunday. Mr. Camp came to Texas from Georgia and settled at San Gabriel where he has made his home for 45 years or more. Mr and Mrs. Camp reared an interesting family of children who are identified with public interest all over the county. He is the father of Mayor Emory Camp of Rockdale; the grand father of our present District Prosecuting Attorney, Emory B. Camp, of Cameron, and has many prominent relatives over the county.

Judge Jeff T. Kemp joined Mr. Woodson, of Caldwell, and left Wednesday for Longview where he will attend Texas Conference of the Methodist church which will be held in that city this week.

Mrs. Lee Batte is attending the Texas Conference of the Methodist church at Longview this week.

Dr. J. C. Hardy, Baptist Educator Dies in Belton

Belton, October 30.—Dr. John Crumpton Hardy, 74 year old president-emeritus of Mary Hardin-Baylor College, who for more than half a century was engaged in education work in the Southwest, died Sunday at 3:40 o'clock at the college. He had been president of the college for 25 years before his resignation, April 1937.

Dr. Hardy had been in failing health the past year, although he had continued to be active in college affairs, going to his office daily and serving as director of the Placement Bureau. During the past summer, however, he had been under a physician's care and took several trips for his health. He had been confined to the hospital since early in September.

Dr. Hardy is survived by his widow, and four children: Mrs. D. R. Anderson of Macon, Ga., Mrs. Katherine H. Bell of Houston, J. C. Hardy, Jr., of Olney, Ill., and Robert M. Hardy of Dallas, and Freddie Bell of Pecos, a grandson.

With the death of Dr. Hardy goes a phrase which he immortalized on the Mary Hardin-Baylor campus—"Happy? Glad you're living?" His philosophy was "We are here to serve not to be served."

John Crumpton Hardy was born in Newton, Miss., Dec. 24, 1864. His ancestors were among the early settlers of the country, prominent in colonial history. His father died when he was young and he became the main support of his family.

He was educated in the common school of Newton county, doing most of his studying at night in order that he might continue his work on the farm. At the completion of his public school education he entered Mississippi College from which he was graduated in 1889 with first honors. He later took a degree in law at Millsaps College, an M. A. degree from Mississippi College, and did further work at Cornell and Chicago.

Immediately after he was graduated from Mississippi College, he became principal of Carrollton Male Academy. At the end of that year he was elected principal of the Jackson High School, and a year later promoted to the superintendency of the city schools. He held the latter position nine years.

Dr. Hardy was married to Kate Whitfield on July 11, 1900. To them were born five children: Dodie B., who died in childhood; Martha, now Mrs. D. R. Anderson, Mrs. Katherine Bell, Jack Jr., and Robert M.

While he was still superintendent of the Jackson city schools, he was offered the presidency of Mississippi A. and M. With that position he began a career in the educational field that extended over nearly half a century. Dr. Hardy came to the college as president with ambitions to be a tangible service to the farmers of Mississippi whose problems he knew so well. His service at A. and M. was characterized by expansion and development.

In 1912, after thirteen years as president of Mississippi A. and M., Dr. Hardy came to Belton where he served as president of Mary Hardin-Baylor for 25 years. Only a year before he came to the college, the academy and college had been separated, and the actual college enrollment was fewer than a hundred students when he arrived. He later discontinued the academy and built up the college enrollment where it far exceeded both the college and academy in his first year. During his administration, seven major buildings were erected on the campus and the curriculum broadened.

His policy for the college was that of Christian leadership. His philosophy was the gospel of hard work and service. He emphasized that something cannot be gained from nothing; therefore, everyone must pay the price for that which he has. Dr. Hardy daily demonstrated the Rotarian motto, "Service before self," as well as a healthy optimism concerning young people—young women especially. His girls, as he affectionately called the students, were his first interest and with a smile and a "Happy? Glad you're living?" greeting he cheered many a homesick girl.

After 25 years as president of Mary Hardin-Baylor college Dr. Hardy retired July 1, 1937, and became the first president-emeritus of the college. In tribute to Dr. Hardy the trustees of the college issued the following statement when he announced his resignation:

"Twenty-five years ago there came to Texas and to the presidency of Baylor College, a man whose far sighted vision, wise leadership, remarkable administrative ability, tire-

DR. J. C. HARDY

less energy, and sacrificial labors have made possible the great institution which we now know and love as Mary Hardin-Baylor College. The period of 25 years of the presidency of Dr. J. C. Hardy at this institution has been one of continued growth and enlargement."

He was closely associated with the Baptist denomination in Texas, not only as a representative of the college, but as a prominent Baptist as well. He was president of the Baptist General Convention of Texas for three years.

Dr. Hardy believed the solution of

the world's problems must come largely through the efforts and influence of Christian women. He emphasized the necessity of a curriculum that would make such a thing possible, and built his curriculum at the college with such an objective in mind.

His life was characterized by ambition, hard work, and cheerfulness. He was a firm believer in the education of young women, for he often said: "Educate a boy, you educate a unit. Educate a girl, and you educate a family, a generation."

Many of his time-worn expressions which he cheerfully told students each year indicate more of his philosophy as the following: "That thing done by one person, which if done by all would result in injury to the group, should not be done," and "You can't eat your cake and have it too!" His counsel to the homesick girl was "Homesickness! It's like the measles, mumps, or whooping cough; it's in the system and has to come out."

Funeral Services Held for Dr. Hardy

Belton, October 31.—Funeral services for Dr. John Crumpton Hardy, president-emeritus of Mary Hardin-Baylor College, who died at 3:40 o'clock Sunday morning, were conducted at 2 o'clock Monday afternoon in Alma Reeves chapel at the College. Dr. Hardy's body lay in state in the chapel from 10 a. m. until 2 p. m.

Services for Dr. Hardy, whose death occurred after a lingering ill-

ness of several months, were in charge of the Rev. A. C. Miller, pastor of the First Baptist church, and Dr. E. G. Townsend, long-time friend and associate of Dr. Hardy. They were assisted by Dr. W. H. McKenzie, pastor of the University Baptist church, Austin, and a member of the Board of Trustees; and Dr. George W. Truett, president of the Baptist World Alliance. Dr. Gordon G. Singleton, who succeeded Dr. Hardy as president of Mary Hardin-Baylor in 1937, presided.

Special musical numbers were given by the Chapel Choir, composed of twenty-five student voices, conducted by Miss Erma Rose Wilson. The numbers were "Lead Kindly Light" and "Nearer My God to Thee." The processional was Handel's "Large," and the recessional was "Rock of Ages." These selections were played by Miss Mae Kelly of the piano faculty. Preceding the benediction the entire congregation sang one of Dr. Hardy's favorite songs, the college hymn, "Old Baylor." With the recessional members of the sophomore class were tolled the historic Baylor Bells, which were tolled early Sunday morning to tell the student body of Dr. Hardy's death. Music preceding the service was played by Henry Wenzel, violinist, and Miss

Kelly at the piano.

Members of the Baptist Student Union composed the honor body guard while the body lay in state in the Chapel. The Honor student escort was composed of the four class presidents, the two presidents of senior societies, the editor of the college annual and paper, the BSU president, Dr. Hardy's secretary, Miss Willie Merle O'Neill, the daughters of trustees, as follows: Mary Beth Alvis, Ulleen Leavell, Nancy Melba Clark and Martha James. There also was an honor escort composed of members of the college faculty and administrative force.

Ushers were selected from the daughter's of ministers who are attending the college, as well as the daughters of Mary Hardin-Baylor Daughters, and from members of the legislative assembly.

Members of the BSU Council serv-

ed as floral bearers in the recessional.

Active pall bearers, who are members of the Board of Deacons of the First Baptist church of Belton, of which Dr. Hardy had long been a faithful member, included: J. R. Fellrath, Robert B. James, E. D. Johnson, John Bassel, W. T. Stanton, H. E. D. Walker, C. E. Hillyer, C. P. Little, A. K. Shipp and Dr. J. M. Frazier. Members of the college Board of Trustees were honorary pall bearers.

New Mercury 8 Town-Sedan

THIS Mercury 8 town-sedan is one of the four body types of the newest car in motordom. It is a big car, with 116-inch wheelbase and measuring more than 16 feet from bumper to bumper. Its V-8 engine develops 95 horsepower. Brakes are hydraulic enabling the driver to

slow down or stop quickly with light pedal pressure. The town-sedan is the "flagship of the Mercury fleet." Both seats hold three passengers comfortably. Interior appointments are luxurious. There is an exceptionally large luggage compartment. White sidewall tires are extra.

FARM CLUB NEWS

Mrs. J. A. McKinney,
Jones Prairie Home Dem. Club,
Cameron, Texas, Rt. 2:

"The Citadel," drama of a doctor's life was reviewed by Mrs. Vernon G. Miles for the Jones Prairie Home Demonstration Club at the home of Mrs. R. O. Harper, October 25th, amid a spooky setting of witches, cats, bats and owls.

Those who enjoyed hearing the story of the career of a young doctor found Mrs. Miles' portrayal of the character of Dr. Andrew Mason very thrilling and were made to feel that he was a very real person. All were made to feel with him the exultation on arriving for his first job as assistant to old Dr. Page in the dirty old mining town and also how terribly frightened he was when he found himself unable to diagnose his first case, his rebellion at civic laxness, his determination to stand for honesty in practice in spite of opposition were vividly portrayed and his change into a smooth London society doctor who let the glitter of gold blind him to his old ideals is brought about convincingly through subtle changes of mannerisms. Christine, the quiet school teacher of the mining village who became the doctor's wife helping him in his experiments in the struggling days of his profession waits loyally and patiently for him to return from the superficiality of his social life to his old ideals.

Much merriment was caused when Mrs. L. W. Marek, recreational director, passed a ball of black yarn and bade each seek his concealed fortune

by unraveling. Mrs. T. B. Stidham very cleverly told the legend of the Pirates and Pot of Gold and presented Mrs. Miles with the end of a black and gold rope which led her to the dining room table where she found a miscellaneous shower concealed in a large pumpkin serving as a center piece.

The hostess served a plate consisting of carrot and pineapple salad, wafers, chocolate cake, coffee and plate favors of miniature marigolds, tied with black ribbon, to the following visitors: Mesdames Vernon G. Miles, B. S. Brewer, A. R. McLerran, Franklin Dusek and Miss Althea Harris of Cameron, Groves of Wichita Falls, Grover Stubbs of Rosebud, J. A. Jamison, P. H. Love, W. F. Harper, J. H. Burnett, Misses Evelyn Harrell, Lelia Love, Roxie Allday and 15 members.

Mrs. A. H. Patzke will be hostess to the club November 8th. Subject "Using Canned Poultry." Miss Dorothy Porter, Home Demonstration Agent will have charge of the program. We are always glad to have visitors.

CARD OF THANKS

There are times when words are inadequate to express one's true feelings but I wish to take this means of telling my friends and neighbors how deeply I appreciate all the acts of kindness and consideration they have shown me throughout the illness and at the death of my beloved brother. I thank each one who sent floral offerings, and all those who assisted in any way. They came to me in my hour of need and I want to extend to them my heartfelt appreciation.

Mrs. Ben McClellan.

youths of grammar school, high school, and college are helped. Money is allotted to the institutions of learning and distributed as follows: \$6 per month to elementary and High school students and \$15 per month to college students. Eleven thousand jobs of this kind were held last year with more to be given this year.

Under the head of work project, such items as the work at San Gabriel where 60 youths are employed, is an outstanding example. Resident projects come under this head also. Youths concentrate at points and live in co-operative dormitories and earn enough to pay expenses and clear enough for needy purposes.

Mr. Lee pointed out that training programs of the type known at A & I Institute at Kingsville, Texas, where agriculture is taught and the school at Bryan for girls where Homemaking is taught are among the best known projects of NYA work in Texas.

Harvey Yoe, who recently joined the Lions Club, is Area Supervisor

in District 9. He introduced the speaker, Harvey D. Payne of Austin, Texas, Supervisor of District 3, NYA, was introduced as a guest of the club.

Other guests of honor for the day included E. D. Parnell, former teacher of Agriculture at Yoe High and Tom Stokes his successor. Mr. Parnell judged at the poultry show. The agriculture men made brief talks.

Tuesday's session of the Lions Club was a busy one, replete with reports of committee chairmen on services given to the community.

Much strength was added to the club with the recent membership of Harvey Yoe, who has been placed on the strong youth committee of the club. Mr. Yoe presented a program on Youth at Tuesday's meeting. The membership committee is busy with applications coming in now for membership in Cameron's fast growing civic organization.

The Youth committee reported that the Lions Club Mexican troop of Boy Scouts is now being organized under the direction of Tomas Garza who accepted the scout mastership of the troop several weeks ago. In the next two weeks this committee expects to select a scout master for another American troop.

The Extension committee brought applause from the members with the announcement that Rockdale had been organized and charter might will be held in the near future. This work is another high step in the ambitious program of the Cameron Lions Club. Other fields are now being visited and it is expected that within a very few days announcements will be made that another club has been organized.

The Safety Committee reported that a safety sign will be placed in the next two weeks at the Ada Henderson School. This sign is now being painted and will be ready for use this week.

The Sight Conservation Committee has arranged for three lectures to be delivered to young people of the community on Nov. 9th. This committee is now preparing to deliver another pair of glasses to a needy boy who made application this week for help.

Reports from the Finance Committee were heard. Plans are being completed for the negro football games sponsored by the Lions club to raise money for underprivileged boys and girls. Letters were read from students who borrowed money from the Students Loan Fund of the Lions Club, expressing the desire to pay back into the fund the amounts borrowed. This will enhance the treasury of the club. The club is in good financial condition.

Honors went to Lion E. C. Cole recently when he was presented a Key for his work in securing two members for the Cameron Lions club.

Birthday Reunion for Mrs. August Glaser

Seventy-three candles lighted a beautiful cake baked for Mrs. August Glaser, Sr., when she celebrated her birthday on last Sunday with an old fashioned dinner given in her home at Salem with her children, grand children, great grand children and other relatives in attendance.

Mrs. Glaser has lived through a colorful period of Texas history and although she has reached the age of seventy-three, she still retains a youthful outlook on life because she has a zest for living that serves to brighten the lives of those around her.

Mrs. Glaser was born October 27, 1865, in Posan Germany but came to the United States while she was a young girl. Before her marriage to August Glaser on September 2, 1886, in a ceremony performed in Brenham, Texas, she was Miss Emma Spaka. Mr. and Mrs. Glaser had ten sons all of whom are living and most of whom attended the birthday celebration of their mother making it a family reunion and a double happy occasion for her.

Mrs. Glaser has lived in Milam county for thirty-six years and all ten of her sons are residents of this county. Mr. Glaser died March 9th, 1936.

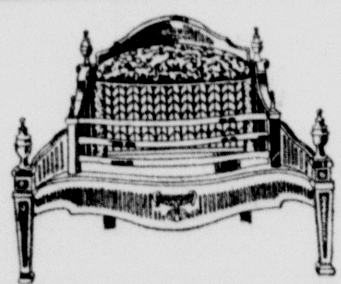

An old fashioned, home cooked, delectable dinner was served at noon and the afternoon for the men was spent in playing forty-two. The ladies enjoyed reminiscence of old times and looked again at all the souvenirs Mrs. Glaser has kept throughout the years, recalling happy memories of the past.

Her sons, all of whom live in Milam county, are Fritz, August, Otto, Roudolph, Herman, Albert, Willie, Robert, Theo and Leo Glaser. Those to enjoy the birthday dinner with Mrs. Glaser and to wish her many happy returns of the day were Mr. and Mrs. Fritz Glaser and son, Willie of Buckholts, Mr. and Mrs. Roudolph Glaser and children of Belmena, Mr. and Mrs. Otto Glaser and children of Cameron, Mr. and Mrs. Robert Glaser and children of Salem, Mr. and Mrs. Arnold Glaser and daughter of Rogers, Mr. and Mrs. Johnnie Glaser of Cameron, Mr. and Mrs. Arnold Jungmann and children of Yarrellton, Mr. and Mrs. Albert Willie of Cameron, Mr. and Mrs. Albert Glaser and family of Cameron, and Leo Glaser who lives at home with his mother.

The huge white iced birthday cake holding seventy-three candles and adorning the center of the table loaded with good things to eat, was baked by her daughter in law, Mrs. Fritz Glaser of Buckholts.

Joe Newton who is a student at Baylor University spent the week end at home, and had as his guest for the week end Rodney Pollard of Austin.

CAMERON B SQUAD NEWS

The Cameron B Squad, which goes this afternoon to meet the undefeated Sharp team there, lost to the Hearne B. 13 to 7. Early in the first quarter Patterson's men, showing exceptionally good form, made a sustained drive toward the goal line. Gerick with a sweep around right end placed the ball on the 10 yard line from which point Holloway scored with an off tackle to the right, and a pass from Walzel to Price tallied the extra point. From that time on, the Cameron boys failed to play the football of which they are capable and allowed Hearne two scores, the first of which was in the second period with a pass over the extra point.

Hearne's second score early in the third quarter was the result of a pass over left end. They failed to convert with a pass. Holloway, a consistently good player, and Stidham were outstanding in the Cameron B.

CHRISTIAN SCIENCE SERVICES

"Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 6.

The Golden Text is: "He that is of the earth is earthly, and speaketh of the earth: he that cometh from heaven is above all" (John 3:31)

Among the citations which comprise the Lesson Sermon is the following from the Bible: "He shall be great, and shall be called the Son of the Highest . . . And he shall reign

over the house of Jacob for ever; and of his kingdom there shall be no end" (Luke 1:32, 33.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus spiritual origin and understanding enabled him to demonstrate the facts of being,—to prove irrefutably how spiritual Truth destroys material error, heals sickness, and overcomes death" (page 315.)

The Fords Tell Their Plans for 1939

IF WE KNEW anything better we could do for the country than make good motor cars, we would do it.

By every one doing his best in the job he thinks most useful, this country is going to regain its momentum. We have tried to do our best in our job.

When business was suddenly halted in its recovery more than a year ago, we determined that we should keep going anyway, if not at full-volume motor car production, then at getting ready for greater motor car values that would help future production.

EXPANDING FOR THE FUTURE

We began to build 34 million dollars' worth of new plants and equipment. We felt that if we could not employ all our men building motor cars, we would employ as many as we could building better production facilities.

We were told, of course, that this was no time for expansion, that a wiser business policy would be to "hold everything"—which means, stop everything. But no one ever got anywhere standing still.

Besides, we are not defeatists. We do not believe this country has seen its best days. We believe this country is yet in the infancy of its growth. We believe that every atom of faith invested in our Country and our People will be amply justified by the future. We believe America is just beginning. Never yet have our People seen real Prosperity. Never yet have we seen adequate Production. But we shall see it! That is the assurance in which we have built.

Business is not just coming back. It will have to be brought back. That is now becoming well understood in this country; for that reason 1939 will be a co-operative year. Manufacturers, sellers and buyers will co-operate to bring back the business that is waiting to be brought back.

This construction program is almost completed. It has increased activity and payrolls in a number of related industries. It has given us better facilities for building better cars and trucks, and eventually our new tractor which is being perfected.

* THIS MEANS MORE VALUE

The current program has provided a new tire plant, which will turn out a part of our tire requirements . . . a new tool and die plant that will help us cut the cost of dies . . . and a steel-press plant that will enable us to make more of our own automobile bodies. These are in addition to the plants we already had for producing glass, iron, steel, plastics, and many other things.

We don't supply all our own needs, of course, and never expect to. The Ford engine is one thing

Henry and Edsel Ford, on the occasion of the 35th anniversary of the founding of the Ford Motor Company, June 16, 1938

that no one's hand touches but ours. Of nearly everything else we use we build some quantity ourselves, to find, if possible, better and more economical ways of doing it. The experience and knowledge we gain are freely shared with our suppliers, and with other industries.

We take no profit on anything we make for ourselves and sell to ourselves. Every operation, from the Ford ships which first bring iron ore to the Rouge, is figured at accurate cost. The only profit is on the finished result—the car or truck as it comes off the line. Some years, there is no profit for us. But we see to it that our customers always profit. A basic article of our business creed is that no sale is economically constructive unless it profits the buyer as much as or more than the seller.

Our new plants have helped us build more value into all our cars for 1939. That means more profit on the purchase to the purchaser.

We have not cut quality to reduce costs.

We simply will not build anything inferior.

NEW TESTING EQUIPMENT

While we were putting up new plants to produce cars, we constructed new equipment to test them. The first weather tunnel of its kind ever built for automobile research went into operation at our laboratories this year.

It makes any kind of weather to order. The weather it delivers every day would take months to find in Nature. Our cars are weather-tested to give you good service in any climate anywhere.

In other tests, every part of the car is punished unmercifully. Then our engineers tear it down to see if they can find abnormal wear or any sign of weakness.

The money we spend on tests saves you money on repairs. And your family car is safer and more dependable when we put it in your hands.

THE NEW CARS

We have two new Ford cars for 1939—better cars and better looking—but we also have an entirely new car.

It's called the Mercury 8. It fits into our line between the De Luxe Ford and the Lincoln-Zephyr. It is larger than the Ford, with 116-inch wheelbase, hydraulic brakes, and a new 95-horsepower V-type 8-cylinder engine.

We know that our 1939 cars are cars of good quality. We think they're fine values in their price classes.

With new cars, new plants, new equipment, the whole Ford organization is geared to go forward.

NEWS FROM BEN ARNOLD

The school welcomes their new students this week. They are Minnie Jewell, Eldridge, Gladys Fay and Mary Janice Jaggers; Geraldine Williams and Verna Lee Dahse.

The Cardinals have begun their Basketball practice and expect to play a game within a week or ten days. Just who they will play has not been ascertained.

The "Cardinal's Nest" or Ben Arnold school paper is a big success. Everyone enjoys reading it. If anyone wants to subscribe for our paper just give Mary Sue Cook a nickel and we guarantee you a paper every Thursday.

The PTA carnival was a great success. There was a large crowd and everyone enjoyed themselves. We cleared between \$50 and \$60. This money was spent for needed supplies for the school, such as basket balls and play ground balls.

The Ben Arnold students and parents sincerely appreciate your splendid co-operation at our carnival. With all of our hearts we thank you and invite you back to visit us any time you feel that you want to.

A Typical Radio Program

Over the years, our radio programs have dealt with hundreds of themes and matters of typical interest. The Sunday programs and the programs for special events are perhaps best remembered. But to the Hillbilly boys the Texas Rose and myself the day-by-day programs in which we have strived to entertain and brighten the lives of our listeners seem important.

As I said, in 1935, I went into business for myself. Because our work had become so identified with the popular type of music known as "hillbilly," our band was called the Hillbilly Boys, and we adopted this as our trade name and trademark. Our early morning programs were built especially for the entertainment of parents and school children just as they were preparing for the day. Here's a typical program of the period.

A Typical Program

It began with me introducing the Hillbilly Boys as usual and extending a friendly greeting to all our listeners. The boys would then swing into some popular breakdown, such as "Lop-Eared Mule." My own talk was about as follows:

I suppose there are many little girls and boys who have lots of worries on mornings such as this. The problems may be getting harder, and you may be blue, but just dig in with a grin and your blues will skiddoo. Listen to the Texas Songbird, he has the blues sometimes but he chases them away with a song.

But to mothers let me say don't catch the blues from the school children. You mothers will have to be very considerate of the little ones while they are in school. Just because you have troubles, don't think for one moment that the problems of your boys and girls do not amount to much. Be patient with them, and above all, when night comes, send them to bed with a kiss.

I think most economists will agree that when this Nation was first discovered if it had been taken over by a few giant corporations, the rest of us would have been practically all slaves, but we all know that our Nation was not founded that way.

Our Nation was built by thousands upon thousands of individuals, each starting up a little business of his own. Those which were useful and managed properly succeeded. They grew and grew up until some of them became great.

Plan and Act

But, my friends, the foundation of this Nation commercially rests with the ambitious men and women who have nerve enough and faith enough to start up new businesses of their own. Create something. Invent something. Devise something new. Give way to your day dreams. Plan and act.

Within the sound of my voice at this very moment there may be many Fords and Edisons. All they need is that spark of encouragement and that fire of enthusiasm. My friends, if I can, during my lifetime, encourage or inspire just one boy or one girl to climb to the heights of their ability I will feel that I have accomplished much.

These programs are sponsored by an independent company of our own. We believe in giving the deserving a chance. And I feel sure that all of you folks are glad to know that I have given our own faithful Leon, the Texas Songbird, a chance by giving

him some stock and making him a director of our company and electing him secretary. Horace is now campaigning for the office of Chairman of the Board. We appreciate your patronage.

On each program we try to find time to acknowledge some of the many fine and encouraging letters that reach us from listeners. On the program I am recalling now there was a friendly greeting from Mrs. Jake Hill down in grand old Hillsboro, who wrote that she was so glad that we were back on the early morning period after a brief interval. "I always listen in and enjoy your programs more than any other," she wrote.

Praise for a Kind Deed

Another typical letter is that from Mrs. Clarence Young over there in Brady. "I just want to write you about how we enjoy your programs," said Mrs. Young, "They are the best on the air. We sure were glad to hear old Leon, the Texas Songbird, back once more. He had better not stay off too long because Horace isn't any slouch himself. He really can let them have it, too."

Often we will dedicate a musical number to someone who has done a kind deed. Maybe someone has written in to tell us about it. Like when we dedicated a number to George Knaur of Denison. And I will tell you why. Here's what we said about him on the air:

George is a great man. He is great in my opinion because he takes time to do good deeds for others. There are lots of rich people who put in most of their time trying to gorge some more money out of the cracks and worrying about what they already have. But George is different. George has saved up quite a pile of rocks, and the bookkeeper down at the bank has never had to waste any red ink on George's bank account.

George has a heart. He heard

me broadcasting about starting up new businesses in Texas. So he picked-out a fine young fellow in Denison, Ben Burget, who was chief Boy Scout executive for five counties in North Texas, and he set Ben up in a new business and made Ben the big vice president and truck driver. And he is distributing our product in Grayson and Collin Counties in Texas and in Bryan County in Oklahoma. And boy, is he making good? That is what you would call killing four birds with one stone. George did the other fellow a good deed. He put up some of his ballast to work earning interest. He started a worthy, deserving young man on the road to commercial success. Last, but not least, he made it possible for our thousands of good friends in his territory to get our product. Folks, I want to salute that man, George Knaur of Denison.

Off to School

Many folks have noted our long continuing interest in the youth of Texas. Our day-by-day programs over the air have had the oncoming generation in mind almost constantly, because it is the boys and girls of today who are the citizens of tomorrow. Here is another typical program devoted to the interests of the school children in our earlier days on the air.

Friends, these programs are for the school boys and girls. But from the mail we receive it looks like their daddies and mothers also listen in. And while we want to help mothers and daddies all we can to get the little boys and girls up and through breakfast and off to school, yet we can remember how hard it used to be for us to get up and be off to school. Honestly, we remember that it was more fun to hear the school bell ring for recess, or to let school out, than it was to hear it ring calling us to study. We might as well be honest about that and sympathize with the boys and girls.

But let us remind them that the only thing to do is to stay with the job and get those lessons. That is the only way to get through school as soon as possible. Since it must be done, do it.

Education may not be essential. Yes, you can exist and go through life without it. But let me tell you something. Education will lighten your load all along the way. It will get you the best and easiest jobs. It will earn you more money. It will make you more friends.

And it will make you happier all through life. It has been said that ignorance is bliss, but the fellow who originated that slogan must have had lots of bliss. So, boys and girls,

you can get those lessons. You can be the smartest boy or girl in school, and it can be done, so do it.

And now all you boys and girls run on and play. You do not need to listen to what I will next say. And now, mothers, cheer up. That little girl toddling off to school is just another bundle of sunshine. She has brightened up your home for a few years exclusively. She is too sweet to keep her always just for yourself. She will brighten up the street as she walks along. She will brighten up the dull, drab life of others as she mingles with them.

And she is not leaving you for good. She will be back this afternoon, bubbling over with interesting tales of what she's seen at school. The little tales she tells will perhaps refresh your memory of things perhaps you have almost forgotten and that will greatly help to lighten your load.

The place for the child to learn is in the home, church and the school room. But we have always thought since these programs began that our interests should have a big part in our work. And love and understanding of our State are important things to learn. The song that has been heard so often of late, "Beautiful Texas," was written with this idea in mind. And, speaking of "Beautiful Texas," this song of my own composition that has become so popular, I remember a happy surprise about it which I was able to explain on one of these radio programs a year or so ago. I said:

Last week I received in the mail a document which makes me proud and very happy. It came all unexpected and as a complete surprise with this letter from Louise Snow Phinney, Chief Clerk of the House of Representatives at Austin. She wrote: "Dear Mr. O'Daniel: You will find enclosed a copy of House Concurrent Resolution No. 64, which was adopted by the members of the House of Representatives and the Senate of the Texas Legislature on March 12 and 15 respectively, expressing appreciation for your composition, 'Beautiful Texas,' and here is the document enclosed with that letter. It is labeled House Concurrent Resolution No. 64, and reads: 'Whereas Mr. W. Lee O'Daniel of Fort Worth, Texas, has composed and published a song by the title of 'Beautiful Texas,' and

'Whereas this song vividly describes many of the beautiful scenes to be found in the State of Texas and

'Whereas this song enjoys a wide popularity throughout our great

State and is admittedly a composition of merit, therefore

'Be it resolved that the House of Representatives, the Senate concurring, that we desire to acknowledge publicly our appreciation for this composition by extending Mr. O'Daniel our sincere thanks for this song; and be it further resolved that a copy of this song be published in the journals of each house; and be it further resolved that a copy of this resolution be sent to Mr. O'Daniel at Fort Worth.'

That resolution was signed by Will D. Pace, President of the Senate pro tempore, and by R. W. Calvert, Speaker of the House. It was certified by Louise Snow Phinney as Chief Clerk of the House and by Bob Baker as Secretary of the Senate.

Friends, won't you pardon me for feeling proud and happy to receive such recognition as that from such an august body of statesmen as the Texas Legislature? And I want to thank them publicly here and now

from the bottom of my heart. And I am going to ask Leon, the Texas Songbird, to sing for all the Senators and Representatives at Austin another song of my own composition which expresses my feeling most of the time, and especially this morning, "MY MILLION DOLLAR SMILE."

A Hallowe'en party, and weiner roast was enjoyed by the Vogelsang choir at the Community house, on Friday night, October 28. Those present were Rev. and Mrs. R. Kalkbrenner and son, Mr. and Mrs. R. Birkelbach and family, Mr. and Mrs. W. Vogelsang and family, Mr. and Mrs. Woodrow Kuhn, Emil, Herman and Olga Lange, Mr. and Mrs. Henry Reddehase and family and Louis Reddehase. All reported having had a wonderful time.

The Senior BYPU from the local Baptist church enjoyed a party on Monday night, October 31, given in the Ledbetter Park near Cameron. A group of twenty young people met at the church at 7:30 to go to the beautifully decorated Boy Scout cabin in Ledbetter Park for an evening of fun. The cabin was lighted with lanterns giving a cozy, attractive effect. Games were under the direction of Oliver Newton and Inez Smith. After a series of games had been played and a lot of fun enjoyed by all, a camp fire was built and the party feasted on coffee and doughnuts.

Miss Vivian Whites, daughter of T. C. Whites of Cameron and Valedictorian of the 1936 graduating class of Yoe High School, has been elected to serve as an upperclass adviser at Kirby Hall, Methodist dormitory for girls at University of Texas. The position is one of responsibility and high honor. Miss Whites was a freshman in the University last year and served as a freshman representative on the Kirby Hall house council. She was elected to membership in Alpha Lambda Delta, freshman honor society for women last February.

The Mary Hardin-Baylor College Club met with Mrs. Vernon G. Miles on Thursday afternoon, October 27, with seven members and two visitors present. In answer to roll call the group recalled interesting things in the history of Baylor College. Miss Ray Fanning gave a talk on "The Baylor of Today." Miss Elizabeth Sprout gave two piano numbers. Miss Lynn Skelton, a Baylor daughter of the future, played a piano solo. At the close of the business session, Mrs. Miles, assisted by Bernia Marie Miles and Lynn Skelton, served an iced drink with cookies and sandwiches. The next regular meeting of the club will be on January 31, 1939.

The Fine Arts faculty of Mary Hardin-Baylor College will present a recital, for the annual meeting of the Texas Federation of Music Clubs, in Alma Reeves Chapel Friday, November 4, 1938 at seven o'clock in the evening. Those who will take part on this program are Dr. Gilewicz, Misses Wilson, Kelley and Townsend and Mr. Wenzel.

J. P. Crouch of Lampassas celebrated his 78th birthday with a dinner given at Wayside Inn near Cameron on Sunday, October 30, with thirty-three children, grand children and great grand children in attendance. Mr. Crouch is the father of Mrs. Maggie Young of Cameron and the father of Mrs. Jesse Coward of Lampassas, who for many years was a resident of Cameron. Those present to help Mr. Crouch celebrate this happy occasion were Mrs. Maggie Young and husband, Mrs. Odell Wade and son, Ronny, Mrs. Lonnie Crouch and sons, Floyd, Wesley and Denson and daughters, Martha and Lena, Mr. and Mrs. Buck Kirk and son, Mr. and Mrs. Clinton Miller and daughter, Billy Lake, Charles Crouch, Mr. and Mrs. Albert Broden, all of Cameron and Mr. and Mrs. J. T. Crouch and Louis Crouch of Houston, Mr. and Mrs. Bob Crouch and children, Bobby, Raymond, Neita and Mary of Waxahachie and Mr. and Mrs. Jesse Coward and son, Jesse, Jr., of Lampassas. An enjoyable day was spent by all and late in the afternoon after wishing the honoree many happy returns of the day the guests departed for their respective homes.

On the afternoon of Wednesday, October 26, Misses Margaret Bloebaum and Dorothy Schiller were hostesses to the Cameron Symphony Club. The members assembled in the music room of the Ada Henderson school. After the business session, presided over by Mrs. Pope Sapp, Mrs. Collins led the program with a discussion of the opera, "Lucia di Lammermoor" by Donizetti. Mrs. Jeter played a medley of airs from the opera and Mrs. Evans gave an interesting sketch of the author's life. After the program, the club members retired to Mrs. Denson's for tea.

A Birthday Jubilee sponsored by the ladies of the Baptist church whose birthday occur in October, November and December, was held at the church annex on Monday afternoon, October 31, from 3:30 to 5 o'clock with fifty ladies in attendance. The program was under the sponsorship of Miss Winnie Henderson and the entertainment was varied and interesting. Among the games and contests were "Black Magic," "Poor Kitty," and a cat calling contest. Mrs. J. E. Flinn read a story entitled "Hallowe'en Clown" which was given in pantomime by a number of the ladies and Mrs. Dan Gunn as the Hallowe'en Clown. The room was decorated with cats, witches, skeletons and all the Hallowe'en paraphernalia to give a weird atmosphere. The yellow was carried out in the flowers which were chrysanthemums; the lights were shaded making the room dim and shadowy. After all the guests had enjoyed a splendid program, a delicious refreshment plate consisting of pumpkin pie, orange slices, cheese squares, stuffed prunes and coffee were served. The Birthday Jubilee is held quarterly with the ladies whose birthdays occur in each quarter serving as hostesses.

A Hallowe'en forty-two party was enjoyed Monday evening at the home of Mrs. Verge Woolley given for the benefit of the Christian church fund. There were many in attendance, and a neat little sum was taken in. Following the games a dainty salad plate with hot tea and cake was served on the tables provided for games.

Miss Marjorie Tabor of Austin was crowned as Queen of Austin, in colorful Coronation Rites last Friday evening at the Texas Memorial Stadium. She was chosen from among nine other candidates. Miss Tabor is the daughter of Mr. and Mrs. A. W. Tabor of Austin, who for many years lived in Cameron, where Mr. Tabor was manager of a large dry goods firm known as the Cameron Mercantile Company. Miss Tabor was the successful Queen sponsored by the Ben Hur Shrine in Austin. Miss Tabor has visited in Cameron, and many friends will be pleased to hear of her success in the race.

Mrs. W. B. Thomas of Rogers visited in Cameron Thursday of last week. Mrs. Thomas is well known in Cameron; is the daughter of Dr. Vol Reed, who now lives in Austin, but formerly was a prominent doctor here. Her mother before her marriage to Dr. Reed was Miss Maggie McCown, daughter of the late Mr. and Mrs. J. W. McCown, early pioneer residents of Milam county who built their large 2 story brick home on the banks of Little River when there was a ferry at the banks in the location where the Sealy Lamkin home now stands. Mrs. Thomas subscribed for the Herald, and said she wanted to keep in touch with her many friends of Cameron and over Milam county.

The Alpha Eta Chapter of Beta Sigma Phi held its model meeting Monday night, October 17, at which time a cross section of the educational and social program sponsored by this organization was given to the rushees, Frances Sharpe and Patricia Batte, and guests of the members. Mrs. Fred Reno, president of the local chapter, presided over the meeting with Mrs. W. R. Newton, Jr., in charge of the program. Very interesting talks were given by Misses Dorothy Kidd and Ada Margaret Smith, and Miss Audrey Miller played a group of lovely piano selections. Ice cream molded as yellow roses was served to the rushees, Patricia Batte and Frances Sharpe; members, Misses Dorothy Kidd, Ada Margaret Smith, Dell Horstmann, Pauline Starnes, Mrs. W. G. Gillis, Fred Reno, W. R. Newton, Jr., John A. Smith, Jr., W. C. Wiese and guests, Mrs. J. C. Martin, R. L. Batte, W. O. Newton, W. R. Newton, George M. Newton, Misses Edwardine Lovick, Christine Miller, Audrey Miller, Ethel Skelton, Mildred Thornton and Maude Stevenson.

The Homemakers class of the First Baptist Church of Cameron had a business and social session at the home of Mrs. Gus Evans on Tuesday afternoon and made plans for an enlargement campaign. A committee was appointed with Mrs. E. G. Lowe, chairman. Mrs. W. B. Skelton is teacher for the Homemakers class and is leading this class in a fine way. The committee hopes to have a fine result from its work in this campaign.

The Alpha Eta chapter of Beta Sigma Phi held a very impressive pledge ceremony Tuesday night, Oct. 25, at the home of Mrs. Fred Reno. After the ceremony a social hour of games was enjoyed. A salad course was served to Misses Frances Sharpe, Patricia Batte, Dorothy Kidd, Pauline Starnes, Dell Horstmann, Lelia Batte Mrs. W. G. Gillis, W. R. Newton, Jr., and John A. Smith Jr.

The members of Alpha Eta Chapter of Beta Sigma Phi entertained their rushees, Patricia Batte and Frances Sharpe, with a Mexican supper at the Tampico Cafe, Rosebud, Wednesday night, October 19. The Mexican motif was cleverly carried out in place cards, favors, and games to correspond completely with the food and the setting. Mrs. W. G. Gillis, Fred Reno, W. R. Newton, Jr., W. C. Wiese, Misses Lelia Batte, Dell Horstmann, Pauline Starnes, Dorothy Kidd, Ada Margaret Smith, Maud Stevenson and rushees enjoyed this courtesy.

Mr. and Mrs. Niley Smith have returned from Houston where they attended Grand Chapter Order Eastern Star Convention held in that city last week.

Mr. and Mrs. E. O. Schiller visited in Austin Sunday. They took their son Edward back to school after he spent the week end here.
